Product ID: VCLVTACG400 - Wall mounted flying insect trap

V-tac fly traps attract flying insects by emitting UV light at 350 nanometres, the optimum wavelength for insect attraction. Attracted into the V-tac unit insects are entrapped on a glueboard discretely hidden within it.

The glueboard is easily accessible and is quick and easy to change.

The V-tac 400 is a stylish wall mounted unit available with either bright or subdued diffuser options.

Features:

Attractive stylish design

Wall mounted - designed for easy installation

Easily maintained

Bright/subdued diffuser options

(Bright: V-tac 400 (A) Subdued V-tac 400 (L))

3 year guarantee against defects in parts and workmanship
