Product ID: TCSELECT+DISP - Neutralle Select+ Dispenser

The NEUTRALLE Select+ is the most innovative and technologically advanced digital odour control system for away-from-home washrooms. It provides fresh fragrance where you need it and when you want it.

- * State of the art programming technology meets individual dispensing requirements, including selecting the number of days to refill replacement and the hours of operation (8,12,16 or 24 hours, 5-7 days a week).
- * Digital programming makes the most efficient use of each fragrance refill.
- * Each aerosol refill reliably delivers 3,000 metered sprays.
- * Fragrance contains Microtrans, a proprietary odour neutralising agent that eliminates odours rather than masking them.
- * Transforms and eliminates unavoidable odours, releases fresh fragrance and creates a clean, fresh environment.
